

### Specifications

Model	211768-01-LS/211768-02-LS	
Type	Single function faucet	
Inflow pressure	Min. pressure	0.05 MPa (Flow pressure)
	Max. pressure	0.75MPa (Static pressure)
Water quality	Tap water or drinking well water	
Work temperature	1-40°C	
Sensing distance	5-15cm (to hand)	
Outlet water flow	About 4L/min	
Hose thread specification	G1/2	
Usage	Generally used in public places	
Adapter power	DC6V(4*R6 AAA size battery)
