PACKAGING DISPOSAL

The packaging of our products does not contain polluting material, the materials used are environmental-friendly and recyclable. Please be helpful and properly dispose of the packaging.

Do not leave it, or parts of it, in the environment. In fact it could, particularly concerning the plastic bags, constitute a danger of asphyxiation for children.

Sort out the materials of the packaging and deliver them to the nearest waste separate collection centres. Proper disposal allows the recycling of precious materials.

ENTSORGUNG DER VERPACKUNG

Die Verpackungen unserer Produkte werden völlig aus umweltfreundlichen und wieder verwertbaren Materialien hergestellt. Bitte entsorgen Sie die Verpackungen ordnungsgemäß. Lassen Sie nicht die Verpackung bzw. einige Bestandteile davon unbewacht. Das Verlassen eines solchen Hinweises könnte zur Gefahr von bei Kindern Erstickung führen, insbesondere wegen des Vorhandenseins von Plastiktüten. Die Ausschussmaterialien aus der Verpackung aussondern und sie ins nächsten Zentrum für Mülltrennung bringen. Eine korrekte Entsorgung ermöglicht die intelligente Wiederverwertung von wertvollen Materialien.
